Keep this handbook available for your reference. **EPGHS administration reserves the right to change rules as needed in order to maintain a safe and orderly learning environment.**

DELIVERIES

The delivery of gifts, flowers, balloons, or food to students (ex. Senior Night, Valentine's Day, Birthday, etc.) are not allowed.

EMERGENCY PROCEDURES

Plans have been made to protect your safety when emergencies occur. Become familiar with fire/tornado exit plans posted in each of your classrooms. In any emergency, silence and complete cooperation with teachers' instructions are essential. When evacuating the building or moving to a shelter area, walk rapidly but do not run. Assume that all alarms are genuine until proven otherwise.

HALL PASSES

Students should not be out of the classroom after the bell. If under special circumstances a student needs to leave the classroom, the student is required to have a pass to be in the halls at times not normally designated for passing. Failure to acquire a pass may result in the student being issued a detention and losing hall pass privileges for the remainder of the semester. Passes for 8th period study halls must be acquired prior to 8th period.

A Hall Pass allows a teacher to:

1. Authorize you to go from one location to another.
2. Excuse an unavoidable tardiness.
3. Request that you be excused from study hall.

Students who are in possession of unauthorized passes should be prepared to face disciplinary action.

LOST AND FOUND

All lost and found items should be turned in to the high school office. Billfolds, purses, watches, and rings will be kept in the office and may be claimed after proper identification of the lost item has been made. It is recommended all valuables be secured or not brought to school.

STUDENT INSURANCE

Student insurance is available at a nominal cost and is optional. When an insured student under this plan is injured, they will be given a claim form from the unit office. This form must be completed by the parents and presented to the doctor or hospital. The school merely acts as a medium in supplying the insurance and assumes no negotiations with the company.

SCHOOL CLOSINGS

El Paso Gridley C.U.S.D. #11 uses several sources to notify the parents and community of emergency closings. Parents/Guardians will be notified via SkyAlert via email and phone call. Other sources used include local radio and television stations.

STUDENT RECORDS

Certain records are required to be kept at school. Student records are available for inspection by parents or guardians by making arrangements with the teacher or principal. Psychological records are also available for inspection by contacting the principal or school psychologist. Upon inspection of the records, should any error be discovered, it should be pointed out immediately to the teacher or principal along with an explanation of why the information is in error. Should the parent or guardian take exception to any part of the record (with the exception of a letter grade) they should inform the records custodian at the District's Unit Office. The law permits the inclusion of a statement of rebuttal in such cases.

VISITORS

Students are not allowed to bring visitors to school. School premises are for school business only. Any person wishing to visit a class and/or a teacher must obtain permission in advance from the principal's office. All visitors need to report to the office for a visitors badge during the school day.

ATTENDANCE

EL PASO GRIDLEY C.U.S.D. #11 ABSENCE AND TRUANCY POLICIES

In the State of Illinois, students 7-17 years old are required by law to attend school on a daily basis. According to the State Board of Education excessive absenteeism is defined as those students who have missed 5% out of the last 180 school days. Regular attendance is critical in developing appropriate academic and social skills for each child. El Paso Gridley C.U.S.D. #11 has adopted the following attendance policy for each of our buildings.

1. A student who is absent for three (3) or more consecutive days may be required upon returning to provide a doctor's note indicating why the student was absent.
2. Students will be allowed a maximum of five (5) excused absences per semester. All absences exceeding five (5) will be recorded as unexcused.
3. Absences that are accompanied by a doctor's note will not count against these 5 days.
4. The Principal reserves the right to make modifications to the coding of the absence.
5. The Regional Office of Education #53 Truancy Officer may be notified after excessive absences are accumulated by the student.

ATTENDANCE PROCEDURES

1. Attendance in all assigned periods is required. Regular attendance is critical to success in school. Make sure that all absences are necessary and unavoidable.
2. Each day that you are absent, your parent or guardian must call the High School at 527-4415 to report your absence and must be made within 24 hours of the absence. This is required regardless of your age at the time of the absence. A message can be left at the above number before and after school on the attendance line.
3. When you return from an absence report directly to the office. Students should check on the status of their absence (excused or unexcused).
4. Willful and deliberate truancy from assigned classes or study halls, or the falsification or contribution to falsification of any attendance report on information may result in a detention or other disciplinary action.
5. With the specific exceptions of classes scheduled at another site, students may not leave the school grounds at any time without following the established check-out

procedures. This includes arriving on school property 1st thing in the morning. Violations may result in a detention and/or suspension from classes. Detention assignments may be made at the principal's discretion.

EXCUSED ABSENCES

Absences for the reasons listed below will be marked as an excused absence if called within 24 hours of the absence. Documentation or proof of the reason may be required from a professional source in some cases. Excused absences provide day for day make up of homework. (I.e. you are absent 1 day, you are given 1 day), except for pre-assigned homework. All students are responsible for obtaining their assignments missed.

1. Illness or injury
2. Serious illness or death in the family
3. Medical or dental appointment
4. Unavoidable accident or emergency
5. Religious holiday

UNEXCUSED ABSENCES

All other absences are unexcused unless they are specifically excused by the principal. Requests for excused absences ~~for reasons other than those listed on previous page~~ should be made directly to the principal. Homework accumulated as a result of unexcused absences is not made up. The student receives a zero for the homework or tests missed during the unexcused absences if not made up day to day. Unexcused absences include but are not limited to:

1. Tardy
2. Truancy
3. Oversleeping
4. Missing the bus
5. Lack of ride to school
6. Private vehicle breakdown or failure to start
7. Working

PREARRANGED ABSENCES

Whenever you know in advance that you will be absent from school due to family vacation, required court appearance, business interview, **college visitation** or other unavoidable circumstances not considered excused, your parent or guardian must contact the school. It is your responsibility to acquire a prearranged absence form and make arrangements with each of your teachers regarding assignments. **This should be done at least three days prior to your absence.** Your request may be denied due to testing.

EXCESSIVE ABSENCES

Student attendance at school is a large factor in the success students find at school. It is also a large burden for the teacher to constantly provide special arrangements for missing students. Students who are excessively absent from school may be required to provide documentation from a professional source explaining the cause of the absence(s). Students with excessive absences will be labeled as chronic truancy and subject to penalties ranging from detentions, suspension, fines, loss of driving privileges, Alternative Education placement, or may be dropped from school for non-attendance. Being absent 5% of the days attended is defined as chronic truancy. State law requires the school to

notify the truancy officer when excessive absences become cases of chronic truancy for those students under the age of 17.

Any student who has reached his or her 17th birthday and who is inexcusably absent NINE days within a 180 day period may be dropped from the roll of the school and notified of the action by registered mail. Any student so dropped from the roll may apply to the administration for readmission at the beginning of the semester following the one from which he or she was dropped from the roll.

SKIPPING SCHOOL

Students are to remain in the building during operating hours. El Paso Gridley CUSD #11 is a closed campus. Students skipping school will face school discipline.

0 HOUR CLASS

Students with 5 more absences from 0 hour excused or unexcused will be evaluated at the semester to determine if they will be allowed to continue to be enrolled into zero hour PE. Excessive absences will impact the student's participation grade in PE.

TRUANCY

Truancy is defined as unauthorized absence from a class or classes. If you are truant, the following consequences will be applied:

- **First Incident:** Parent(s) contacted. (If truant a half day or more, Detention and/or parent contact is required. Detention time may be assigned.)
- **Second Incident:** Detention assignment(s) will be made. (Parent conference required in most cases.)
- **Subsequent Incidents:** Suspension or Detention assignments will be made. (Parent conference required.)

UNAUTHORIZED SKIP DAY

We do not sanction or approve any authorized skip day by any group of students. An authorized skip day disrupts the educational program and exposes participating students to unacceptable risks. Students who are known to be participating in such a skip day will be considered truant and will be held accountable as described above. Parents/guardians will need to verify the legitimacy of excused absences.

TARDINESS TO SCHOOL

1. If you are not in your first hour class at 8:25 a.m. you will receive a tardy.
2. Teachers assign a tardy on the automated attendance which is recorded in the office.
3. Teachers must notify the student immediately that he or she is being marked tardy for that period.

TARDINESS TO CLASS

Tardiness to class is unexcused unless you present, when you arrive, a Hall Pass that indicates that you were detained by another teacher. Nearly all tardiness is the result of failing to use the most direct route, walking or talking with friends, or attempting to take care of school or personal business rather than reporting to class on time. Do not return to a previous class for a Hall Pass, report directly to your next class.

TARDINESS PROCEDURE

- 3 Tardies per semester = Detention
- Each Tardy after 3 per semester can result in further discipline and will be dealt with on a case by case basis.

- Excessive Tardies could result in loss of privileges (dances, sporting events), assigned seat in the cafeteria, or lunch detentions.

MAKE-UP WORK

It is the student's responsibility to make arrangements with each teacher regarding the work missed. For absences due to illness, suspension, or family emergency, student or parent may request the Office to gather assignments from the teachers. A student or parent may call the Office at 527-4415. Teachers may require a full day's notice to put materials together for a student, and if at all possible, assignments should be ready to be picked up from the Office 24 hours after the request was made. Students should be fully prepared to take any announced exam which was scheduled before their absence. The following guidelines should be used in setting deadlines for completion of make-up work:

1. **Excused and Unexcused Absence** – students should be prepared to take pre-assigned tests and turn in pre-assigned homework upon their return to school from an Excused Absence. The penalty for not doing this work will be decided by the teacher. Deadlines for tests and class work will be established by the teachers after careful consideration of the circumstances of the absence and must be met by the student. It is the student's responsibility to be aware of all class assignments and deadlines.
2. **Prearranged Absence** – all homework should be completed prior to the absence.
3. **School-Initiated Absence** – (field trips, contests, performances, etc.)—assignments and exams may be required in advance or as soon as the student returns to class. It is the student's responsibility to be aware of any work missed or announced during an absence of this nature. Students may be withheld from participation in any activity if involvement in that activity is unduly interfering with academic performance. Contact the teacher, sponsor or coach as early as possible to discuss any such problems.
4. **Suspension** – Students who are serving Out of School Suspension or In School Suspension will be allowed to complete their accumulated homework.

HOMEBOUND TUTORING

In cases of extended absence due to serious illness or injury, your parents may initiate homebound assistance by obtaining an application in the Office, having your doctor verify your absence, and returning the completed form to the Office as soon as possible. The Principal must sign all applications. The total length of expected absence must be at least two weeks (10 school days). The objective of the Homebound Tutor is to assist students with assignments; it is not a replacement of classroom instruction. It is only assistance in completing accumulated homework.

ATTENDANCE AT EXTRA-CURRICULAR ACTIVITIES

Students must be in attendance by 11:30 a.m. to participate in the corresponding extra-curricular activity. This shall apply to all students regardless of extracurricular status. Exceptions due to unusual circumstances may be granted only by the Principal.

PROCEDURE FOR LEAVING SCHOOL EARLY

1. Your parent or guardian may make arrangements, in advance whenever possible, to have you check out prior to your usual dismissal time by calling 527-4415. If you become ill or injured in school, do not call your parents on your cell phone, you must be checked out by the school nurse or by the Principal. Once you have been evaluated your parents will be contacted by the High School Office. Failure to follow this procedure may result in disciplinary consequences.
2. At the appropriate time, report to the office and sign the Student Check-Out List

DROPPED

Students age 18 and older must show progress towards graduation. This may include attendance, academic performance, and discipline. Students not showing progress towards graduation may be dropped from current enrollment at EPGHS.

Driver License Cancellation: The Act provides that mp driver's license or instruction permit shall be issued to any applicant who is under 18 years of age and not legally emancipated by marriage, unless he/she is a high school graduate, is enrolled in a GED course, has obtained a GED, is enrolled in high school or college, or is receiving home instruction. Likewise, a driver's license or instruction permit shall be cancelled if a student under 18 years of age drops out of school. The clerk or secretary of the school board shall furnish quarterly reports to the Regional Superintendent and the Secretary of State that includes the names of: pupils whose withdrawal is due to extraordinary circumstances, pupils who have re-enrolled in school, and any pupil certified to be a chronic or habitual truant. Each local school district shall establish, in writing, a set of criteria for use by the superintendent in determining whether a pupil's failure to attend school is the result of extraordinary circumstances, including but not limited to economic or medical necessity or family hardship.

STUDENT DISCIPLINE

TEACHER DETENTIONS

Teachers may assign detentions to be completed with them. They may last no longer than 30 minutes. They will issue a copy of the Classroom Detention Notice to the student and will allow the student at least one-day notice. If the student fails to complete this obligation assigned by the teacher, the student will be referred to the building principal or designee where discipline will be administered.

ADMINISTRATOR DETENTIONS

Students may receive detentions from an Administrator for their behavior at school. These detentions are to be served in the Study Hall or assigned location after school for 45 minutes. Detentions may run from 3:15-4:00. If students are late they may be denied entrance into the detention. Detentions may be served at another location with the Administrator's permission. If this assignment is not completed by the given deadline, the student may receive additional detentions, loss of privileges, Saturday detention, or a suspension from school.

SATURDAY DETENTIONS:

Students reporting for Saturday Detention should park in the East parking lot and enter the building through the main entrance in the link. Students may not enter the building prior to 7:45 a.m. Saturday detention begins promptly at 8:00 a.m. **DO NOT BE LATE!** When leaving, students must exit the building and leave campus immediately.

Students will not be allowed access to their lockers or be permitted in the hallways before, during or after Saturday detention. Students may be granted permission to use the restroom on an individual basis as determined by the Saturday supervisor. Students receiving permission to use the restroom will need to go the nearest restroom and return in a timely manner. Students are not permitted to go to their lockers or wander in the hallways.

Students serving a Saturday detention will observe the following rules:

1. Students must be inside the building before the Saturday supervisor locks the door. Students will not be permitted to enter after the Saturday supervisor has locked the doors.

2. Students are expected to bring schoolwork and work on it during the detention. Students who do not have homework will not be permitted to go to their lockers. At the discretion of the Saturday supervisor, school appropriate items such as books, novels, magazines, newspapers, etc. may be allowed.
3. The Saturday supervisor will provide a 10-minute restroom/drink break at approximately 10 a.m. No food, candy drinks, etc. will be allowed in the detention area. Students who do not need to use the restroom or get a drink during the break, must remain inside the assigned area and will not be allowed to go to their locker or hallway.
4. Students are required to stay quiet and on-task during detention time. Sleeping is not permitted.
5. Students are not allowed to work together or in groups.
6. Students are not allowed to use their cell phone during detention.
7. School dress code is enforced during Saturday detention.
8. Students who are asked to leave, must do so quietly and exit directly and leave school campus.
9. Students may arrange postponement of Saturday due to illness, death in the immediate family, or other extreme emergencies. A parent or guardian must make arrangements for postponement with administration before the end of the school day on Friday prior to the detention. Acceptable reasons for postponement are determined by the administration. Extra-curricular activities, recreational activities, etc are not acceptable reasons for postponement.
10. If a student is ill, a parent or guardian must call the school and leave a message for the principal the morning of the Saturday detention.
11. Students who fail to serve a Saturday detention or arrive after the doors have been locked will be issued an in-school suspension or other forms of appropriate discipline. Discipline will automatically begin the first day of student attendance following the Saturday detention.

SUSPENSION FROM SCHOOL

In-School Suspension

Students can be issued an in-school suspension to be served in the high school office. Students are able to work on homework or other classroom activities during that time for full credit. Parents will be notified when their child has been assigned an in-school suspension and the length of duration that the suspension has been assigned for.

External Suspension

External suspension is defined to mean an exclusion of a student from school or from riding the bus for a period of time not to exceed ten (10) school days by summary action of the superintendent, the principal, or other building administrator. The student will be allowed to make up all work missed with full credit given. The student will be given one day for each day of external suspension to complete missed work. Any work not completed during that time will receive a grade of "0". During suspensions of three or more days, class work will be collected and may be picked up by the Parent/Guardian in the main office.

Authority to suspend is delegated to the superintendent, principal, and other administrators

filling the role as building principal.

Externally suspended students are subject to the following rules:

1. No attendance at or practice/participation in extracurricular activities and/or school related activities (dances, plays, concerts, etc) will be permitted for the duration of the suspension.
2. Externally suspended students are not allowed on campus during the suspension.
3. Credit will be given for work done during a suspension.

External Suspensions of Three Days or Less:

Students may be suspended externally from school for three days or less if the student's continuing presence in school would:

1. pose a threat to school safety
2. a disruption to other students' learning opportunities (as determined by the Board or its designee on a case-by-case basis).

External Suspension of Four Days or more:

Students may be suspended externally from school for four days or more if:

1. other appropriate and available behavioral and disciplinary interventions have been exhausted.
2. school officials attempted other interventions or determined that no other interventions were available for the students.
3. the student's continuing presence in school would either:
 - a. pose a threat to the safety of other students, staff, or members of the school community.
 - b. Substantially disrupt, impede, or interfere with the operation of the school.

External Suspensions of More Than Five Days:

For a suspension of 5 or more school days, the information listed above, along with documentation by the Superintendent or designee determining what, if, any appropriate and available support services will be provided to the student during the length of his or her suspension.

EXPULSION

Students who exhibit chronic and repeated misbehavior will be recommended to the Board of Education for expulsion. The Administration reserves the right to recommend expulsion of any student committing any singularly severe act. Such infractions would include but not be limited to drug trafficking, threats, weapons, theft or destruction of property.

Expulsion Procedures:

The Superintendent or designee shall implement expulsion procedures that provide, at a minimum, for the following:

1. Before a student may be expelled, the student and his or her parent(s)/guardian(s) shall be provided a written request to appear at a hearing to determine whether the students should be expelled. The request shall be

- sent by registered or certified mail, return receipt requested. The request shall:
- a. Include the time, date, and place for the hearing.
 - b. Briefly describe what will happen during the hearing.
 - c. Detail the specific act of gross disobedience or misconduct resulting in the decision to recommend expulsion.
 - d. List the student's prior suspension(s).
 - e. State that the School Code allows the School Board to expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case-by-case basis.
 - f. Ask that the student or parent(s)/guardian(s) or attorney inform the Superintendent or Board Attorney if the student will be represented by an attorney and, if so, the attorney's name and contact information.
2. Unless the student and parent(s)/guardian(s) indicate that they do not want a hearing or fail to appear at the designated time and place, the hearing will proceed. It shall be conducted by the Board or a hearing officer appointed by it. If a hearing officer is appointed, he or she shall report to the Board the evidence presented at the hearing and the Board shall take such final action as it finds appropriate. Whenever there is evidence that mental illness may be the cause for the recommended expulsion, the Superintendent or designee shall invite a representative from the Department of Human Services to consult with the Board.
 3. During the expulsion hearing, the Board or hearing officer shall hear evidence concerning whether the student is guilty of the gross disobedience or misconduct as charged. School officials must provide: (1) testimony of any other interventions attempted and exhausted or of their determination that no other appropriate and available interventions were available for the students and (2) evidence of the threat or disruption posed by the students. The student and his or her parent(s)/guardian(s) may be represented by counsel, offer evidence, present witnesses, cross-examine witnesses who testified, and otherwise present reasons why the student should not be expelled. After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt and take such action as it finds appropriate.
 4. If the Board acts to expel the student, its written expulsion decision shall:
 - a. Detail the specific reason why removing the student from his or her learning environment is in the best interest of the school.
 - b. Provide a rationale for the specific duration of the recommended expulsion.
 - c. Document how school officials determined that all behavioral and disciplinary interventions have been exhausted by specifying which interventions were attempted or whether school officials determined that no other appropriate and available interventions existed for the student.
 - d. Document how the student's continuing presence in school would (1) pose a threat to the safety of other students, staff, or members of the school community, or (2) substantially disrupt, impede, or interfere with the operation of the school.

5. Upon, expulsion, the District may refer the student to appropriate and available support services.

APPEAL OF DISCIPLINE DECISIONS

Any student or parent/guardian has the right to request a review of any disciplinary action. If such a review is desired, the principal should be contacted first in order to initiate the appeal procedure.

CORPORAL PUNISHMENT

Corporal punishment shall not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. STUDENT CONDUCT

BULLETIN BOARDS - POSTERS

No notices, posters, signs, or announcements may be displayed on bulletin boards, walls, lockers, windows or doors without specific permission of the Principal. Violations will result in possible school disciplinary consequences, including but not limited to detention, suspension or expulsion from school.

BULLYING

Bullying Defined:

Bullying is unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

EPG Unit 11 schools are committed to reduce bullying and educate our students about the roles of victim, aggressor, and bystander. As a parent, you can:

- Assure your child that the problem can be solved.
- Let the school know that your child is being bullied.
- Communicate and cooperate with the school until the problem is solved.
- Bullies are often victims themselves.
- Bullies often have poor social skills and do not know how to behave towards others in a positive way.
- Develop your child's sense of humor and tolerance of others
- Positively reinforce your child's self-esteem and sense of self worth
- Develop your child's social skills by teaching him or her to share and to cooperate with others in group situations.

The most appropriate action is to tell someone at the school and work with the school staff to solve the problem. If bullying is reported, the school will:

- Assure the student that the problem can be solved and then provide ongoing support.
- Investigate the problems raised.
- Treat everyone involved with fairness.
- Take appropriate action. This may include.
 - Mediation
 - Disciplinary action
 - Warnings
 - Social skills instruction or counseling
 - Parent-student conference

Reporting Procedure:

1. Students are encouraged to immediately report bullying. A report can be made in person or in writing. A student can report bullying to a teacher, counselor, building principal, or any staff member with whom the student is comfortable speaking.
2. Parents may also report bullying in the same manner as previously listed. A reporting form can be found on the district webpage under the "PARENTS" tab found at the top of the EPG Unit 11 main page.
3. Once a report is received by the building principal will begin an investigation including:
 - An interview with the reporting student or students.
 - An interview with the alleged offending student or students and a determination of the extent of their involvement.
 - Parents of all students involved will be contacted and the offending student will be assigned a consequence if a determination of bullying/harassment is made. Consequences will be consistent with the guidelines laid out by district policy and building disciplinary guidelines.
4. Final report, including determination and disciplinary decisions will be reported to superintendent.

CELLULAR PHONES/ELECTRONICS

In an effort to minimize disruption to the educational process, all cell phones and/or electronics must be out of sight during the eight instructional periods of the school day unless prearranged by the teacher. Cell Phones may be used prior to school, during passing periods between classes, at the students designated lunch period, and after school. Violation of this policy will result in the following consequences:

1st Offense: Phone will be confiscated and returned to student at the end of the day

2nd Offense: Phone will be confiscated and the student will receive an after school detention. Student will be able to have their cell phone back at the end of the day.

3rd Offense: Student will receive a Saturday Detention and a parent will need to pick-up their cell phone or electronic device.

- Using or possessing an electronic device or using a cellular telephone, personal digital assistants (PDA's), or other electronic device in any manner that disrupts the

educational environment, or violates the rights of others, including using the device to text, take photographs, cheat, signal others, or otherwise will be subject to school discipline.

CHEATING ON EXAMINATION AND SCHOOL WORK

Cheating is a violation of all principles of education. The student involved loses self-respect and the grades of other students may be affected. Electronic tampering or other misuse of computer equipment in the academic setting, including the use of computer translators in foreign language classes, will be considered a form of cheating. Plagiarism of any type is a form of cheating and will not be accepted. Anyone guilty of cheating in any form may receive a zero for the assignment or test and face school discipline deemed appropriate determined on a case-by-case basis.

CLOSED CAMPUS

El Paso Gridley High School has adopted a closed campus policy, which requires the students to remain on campus for the entire school day. Bus students upon arrival in the morning and until your bus departure in the afternoon are required to remain on campus. MEDICATION

The State Board of Education has generally sought to discourage routine administration of medication by school personnel, except in emergency situations. Our school recognizes that in some instances medication is required to be given during school hours. Medication required by doctor's prescription to be given 4 times a day will be given at school. Medication required 3 times a day will not be given during school hours since before school, after school, and at bedtime can constitute the 3 necessary dosages. Prescribed medication requiring 4 times a day are also subject to the following guidelines:

1. Physician request and parental request form must be signed and on file in the school office.
2. Request form must include the following:
 - Type of illness and reason for medication
 - Medication name, dosage, and time to be taken
 - Possible side effects of medication
3. Medication must be brought to school in its original container labeled by physician or pharmacy. It is preferred that parent or responsible adult bring medication to the school office. If it is not possible for a parent/adult to bring it in, please inform the office that the medication is being brought by the student on the day it is being sent.
4. All medication must be kept in the school office. Nonprescription medication such as pain relievers and cough or cold medication also require physician signature and written instructions. Nonprescription medication must also be sent in the original container with the student's name affixed to the container. The school provides no medication.
5. It is the responsibility of the parent/guardian to provide medication/container for field trip(s). The parent/guardian may decide (preferably with communication to the teacher) not to have the medication administered if it will not interfere with the child's health.

The procedure for taking medication at school should be as follows:

1. The student will report to the office at the time he/she takes the medication.
2. The principal, or his/her designee, will accompany the student to the area where medication is stored.
3. The student will self-administer medication and sign-off each dose taken.
4. The medication will be returned to the storage area and the student will return to class.

All orders for daily prescribed medication and non-prescription medication expire at the end of the school year and must be renewed at the beginning of the next school year. Medications not picked up at the end of the year will be discarded and witnessed by office staff.

Medications can be given to a child directly by parents at school if needed. Special

circumstances regarding medication should be brought to the attention of the building principal, and/or the school nurse.

Our intention is to help your child in overcoming an illness or problem when necessary. Eliminating unnecessary medication at school is in the best interest of everyone. If you have any questions regarding medication, feel free to call the school office.

Medical Requirements for 9th grade or new transfers:

Physical exam with required immunizations

Tdap (tetanus booster)

A sports physical does NOT cover a required exam. It must be on the State of Illinois physical form.

Accident/illness procedure:

When an illness occurs at school, the teacher, secretary, nurse, or principal will determine if the student should be sent home. Students are to report to the office if not feeling well.

It is **not** acceptable to call/text parents directly. The following guidelines are used:

Vomiting-witnessed

Temperature over 100 degrees

Obvious deformity from injury

TO RETURN TO SCHOOL THE STUDENT SHOULD BE
VOMIT/DIARRHEA/TEMPERATURE FREE FOR 24 HOURS WITHOUT MEDICATION.
IF ABSENT FOR 3 CONSECUTIVE DAYS DUE TO ILLNESS A DOCTOR'S NOTE IS
REQUIRED.

Severe Food Allergy Guidelines

The goal for students with food allergies is complete avoidance of the offending agent but in spite of everyone's best efforts, accidental exposure sometimes occurs. Allergic reactions can result from ingesting or inhaling the allergen and from skin contact with the allergen. The onset of the reaction can occur rapidly or it may be delayed. Everyone responds differently.

Identification

1. Any student with a parent reported or physician documented severe food allergy must have a current written physician's order/severe allergy note on file with the school nurse. This should be in the form of an emergency action plan.
2. The school nurse will meet with parents/guardians of students with severe food allergies to review the nature of the allergy; obtain a history of the child's reactions to the allergen; and review physician's written documentation and current orders. These notifications will be required for **each** school year.
3. Students who have proper authorization to carry and self-administer emergency medications for severe allergic reactions are required to keep a second set of properly labeled emergency medication at school. This is to ensure that the student will have medication available in the event they are unable to locate their personal supply.

Notification

1. The school nurse will notify the administrator on each campus of any students with food allergies.
2. The administrator will disperse a list of student names to appropriate staff.

3. Each student will be identified in Skyward as an “allergy alert” from the school nurse.

Education

1. The school nurse, with the parents'/guardians' assistance, will assess the child's level of understanding regarding foods to avoid. The school nurse will reinforce the child's self-management of the food allergy.
2. Staff will be trained on Epi-Pen and other emergency medication (when relevant to the allergy).
3. The school nurse will assist the teacher in discussing the following with the student's classmates: no sharing or trading of food, beverages, or utensils; no touching of each other; and the importance of hand washing before and after snacks and meals.
4. Emergency action plan, developed by MD and parents, will be reviewed.
5. The goal for students with food allergies is to gain independence and responsibility with their own allergy as they progress through their school-age years.

Avoidance

1. Students may not trade or share food, beverages, or utensils.
2. Students with food allergies should not eat or drink anything with unknown ingredients or known to contain allergens.
3. Students with food allergies will notify an adult immediately if they consume something they believe may contain an allergen.
4. The school nurse and /or teacher will discuss field trips and special class activities with the allergic student's parents/guardians to determine appropriate strategies for managing the allergy during these events. This could include parents/guardians attending the field trip or activity to offer the highest level of protection for the child.
5. Each child with a food allergy will sit at a designated table unless a parent and doctor note specify otherwise. This will be documented on the action plan.
6. The homeroom/classroom where the student with allergies is assigned may be a peanut-free environment based on the severity of the allergy.

Treatment

1. If an allergic reaction occurs, initiate emergency action plan, call 911 if needed, and then call school nurse. A student with a severe allergic reaction MUST NOT be sent to the nurse or school office alone or with another student. If a student experiences a severe allergic reaction during a field trip, a trained school staff member or parent/guardian will assume responsibility and call 911 if necessary.
2. The school nurse or trained staff volunteer will administer the prescribed emergency medications according to the physician's direction (action plan) at the first sign of an allergic reaction or known exposure to the allergen.
3. After EMS is notified, contact the student's parents/guardians, and if requested by the parents/guardians, the student's physician. Also, school staff should notify a campus administrator that EMS has been summoned.

MONEY

You are highly encouraged not to carry large amounts of money at school. If this does become necessary, the best practice is to bring a check for the proper amount. Two party checks will not be cashed in the office. **The school is not responsible for your loss.**

OBSTRUCTION OF INVESTIGATION

Students who willfully obstruct the investigation of a school official by withholding information in response to direct questions or by giving information known to be false present a potential danger to student and staff safety will be subject to detention assignments or suspension from school.

Demonstrate respect for yourself and others by conducting yourself in a manner appropriate for a public place. Parent involvement will be required beginning with a second incident of inappropriate display of affection.

SEARCH AND SEIZURES

Students who are under the suspicion of possession or under the influence of any substance, are subject to being searched by a building administrator.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations where the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, automobile; (c) in a school's student locker, desk, or other school property; or (d) any other location on school property or at a school sponsored event.

Students should report suspected sexual harassment to any teacher, counselor or administrator. Students may be accompanied by a parent, friend or advisor in making such a report. Every report will be documented and investigated in a prompt, thorough and confidential manner. Reasonable attempts will be made to provide an opportunity for informal consultation and, where appropriate, informal resolution. The complainant will have an opportunity for reasonable input into decision-making regarding the method for resolving the situation.

SUBSTITUTE TEACHERS AND OTHER SUBSTITUTE EMPLOYEES

Substitute teachers and other substitute employees retain the same responsibility and authority as the persons for whom they are employed. Students' obligations toward substitute employees are the same as toward permanent employees.

THEFT OR POSSESSION OF STOLEN PROPERTY

Students responsible for stealing school or private property or for being in possession of stolen, or reported as stolen, property will be subject to suspension. Specific consequences may be modified due to the relative value and/or importance of the stolen property and other circumstances of the situation. "I found it" or "I bought it" will not be acceptable reasons for a student to be in possession of lost or stolen property.

Students who are responsible for threatening teachers' or other staff members' personal safety or for threatening or vandalizing their personal property will be subject to suspension from school (not to exceed 10 days), possible expulsion proceedings and possible legal action as deemed appropriate by the individual staff member and school district.

Students who violate this directive may be subject to penalties for vandalism and/or theft that occur while they are in an unauthorized area as well as penalties for being in an unauthorized area without permission.

The parking lots, locker rooms (when not in PE class), hallways, restrooms (when not in possession of a hall pass), auditorium, gym, and any vacant classroom are always considered to be unauthorized areas. VALUABLE PROPERTY

Textbooks, articles of clothing and personal possessions should all be clearly marked with your name. Personal property is not the responsibility of the school. Lockers are available in the gymnasium dressing rooms to give pupils a place to put their street clothes when dressed for Physical Education classes. Lockers should be kept locked when not in use. It is each student's responsibility to keep the locker neat and clean. The school provides adequate facilities for students to store their belongings, but the school cannot take the responsibility for these belongings. Each student must be responsible for personal property and should therefore keep the locker locked and not circulate a lock combination to other students or share a locker. When personal property is lost, it is usually through carelessness. If property is lost, it should be reported to the office immediately. Large amounts of cash and valuable property should not be brought to school, school activities or on school field trips! **The school is not responsible for your loss.**

The Superintendent may grant an exception to this policy, upon the prior request of an adult supervisor, for the students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

PROTECTING STUDENT PRIVACY

DIRECTORY INFORMATION

El Paso Gridley District #11 maintains personally identifiable information regarding students. We guard this information carefully and want to maintain a high level of confidentiality. Certain information is considered “directory” in nature. This would include: student name/address, grade level, parent name/address, academic awards/honors, and information on school-sponsored activities. This information would only be released to organizations that may have something positive to offer our students at a minimal fee. This information will not be released under any circumstances to any profit-making business or organization.

In addition, there may be situations where pictures are taken for newspapers, local or regional, web pages and/or television coverage of various programs. Students’ names may be given for pictures, but generally not in a specific personally identifiable nature.

Should you wish to have your student’s name deleted from directory information, the parent/guardian must send a letter to the building principal by the second Friday in September or within the first fifteen (15) school days of initial enrollment in the district.

STUDENT RECORD REQUIREMENTS

Physical and dental examinations, as prescribed by the Department of Public Health shall be required of all students entering the ninth (9th) grade. Examinations are the responsibility of the student’s parents or guardian, and shall be made by a licensed physician who is employed for that purpose. All students entering school are required to have PROOF OF IMMUNIZATION for mumps or proof of having the disease as verified by a physician as required by the State of Illinois. Success in Physical Education requires active involvement in each class. Failure to dress in the proper uniform precludes healthy and safe participation, and as such “dress cuts” interfere with success. Department procedures will be implemented each semester to encourage all students to be properly dressed for participation each day. A loaner P.E. uniform will be available on the first dress cut or for circumstances such as theft or temporary financial hardship.

Students will have a lock assigned to them in order to lock street clothes in while in class. Clothing and other property should never be left unattended in the locker room or instructional areas. Do not leave cash or valuable items in Physical Education lockers.

MEDICAL EXCUSE FROM PHYSICAL EDUCATION / WELLNESS

If you must be excused from Physical Education/Wellness activity for 1 day per semester,

we will need a parent note. If the excuse is for more than 1 day due to illness or injury, you must have a physician's request which states:

1. Type of illness or injury
2. Activities in which you cannot participate
3. **The specific length of time this request is to be effective**

All documents from physicians must be presented to the principal before the waiver goes into effect. The principal will forward it to your Physical Education teacher. A physician's request to excuse a student from some Physical Education activities due to a long-term or chronic medical problem will be honored. If the condition persists into the following school year, a new request must be brought from the physician. Physician's requests will be kept on file as a permanent document by the Office and Physical Education teacher. Incomplete documentation not fulfilling the three requirements above will result in unexcused absences in P.E. class.

PHILOSOPHY

Representing the El Paso-Gridley Community Unit School District # 11 is an important responsibility and privilege. The kind of image portrayed by students will reflect on the reputation of everyone associated with the school district. Consequently, any behavior projecting a negative image of the school district will not be tolerated and will be dealt with severely. Activities covered under this code will include any extracurricular activity involving competition—baseball, basketball, cheerleading, cross-country, football, golf, jazz band, scholastic team, show choir, softball, track, volleyball, bass fishing, swimming and wrestling.

DURATION

This code is in effect for the duration of the athlete's career—grades 6-12. This code is also in effect the entire calendar year, including summers. Disciplinary consequences for violations occurring when the student is "out of season" or during the summer will be levied in the student's next period of competition. Students convicted of criminal activities will suffer consequences commensurate with the offense committed, ranging from a suspension to being barred from participation in all future activities. Any student who is dropped from an extracurricular activity because of academic, discipline, or chemical

abuse reasons, or quits of his/her own accord, forfeits all rights to any type of award.

CHEMICAL ABUSE

Chemical use is prohibited. Chemical use will be defined as the use and/or possession of tobacco, alcohol, marijuana, paraphernalia, vapor pens/device and any other illicit drug or look-a-like drug not prescribed by a physician. If the suspension cannot be fulfilled during the current athletic season, the suspension will carry forward to the next participating season proportionately. The suspension would include post season games as well.

FIRST OFFENSE: Student will be suspended for a period equal to 1/3 of the total competition scheduled for the regular season.

SECOND OFFENSE: Student will be suspended for a period equal to 1/2 of the total competition scheduled for the regular season.

THIRD OFFENSE: Student will be suspended for a calendar year.

An athlete's suspension may be reduced to one-half of the total penalty if he or she voluntarily turns himself/herself into an administrator, athletic director, or coach for a violation by 8:30 a.m. the next student attendance day, or before the next practice day on non-school days, for first offense violations only.

ADMINISTRATIVE PROCEDURES AND STUDENT HANDBOOK LANGUAGE

Local Requirements – EPG High School

1. Evaluation of Students – Evaluation of students participating in extra-curricular activities will be done on a weekly basis. This procedure meets the IHSA mandate of weekly checks.
2. Scholastic Standing
 - a. Students Passing All Classes: Students passing all classes will be assumed eligible to participate in extra-curricular activities.
 - b. Students Receiving One Failing Grade: Students receiving one failing grade at the weekly check will be placed on probation until the next grade check. Students will become ineligible if at the next grade check they are still failing at least one course.
 - c. Students Receiving Two or more Failing Grades: Students receiving two or more failing grades at the grade check will be ineligible until all grades are brought up to a passing level, as determined at the next grade check. Students may practice with the team and attend interscholastic activities when ineligible, but they may not compete.
3. Probation and Ineligibility Periods
 - a. Probationary and Ineligibility periods will be carried over from each semester. For example, if a student is failing one or more classes at the end of the second semester, his/her probationary or ineligibility period would carry over into the first semester of the next school year. This is also the case for incoming freshman to the high school.
4. Eligibility Periods – Eligibility periods run from Monday through Sunday. Students should be contacted by their teacher, the Athletic Director or their coach prior to being placed on probation or becoming ineligible.

The academic eligibility requirements for EPG High School students are included in the handbook and will be in accordance with Board Policy 6:190 in addition to all IHSA guidelines.

Students must be in attendance for ½ of the school day. Exceptions will be made for pre-arranged absences or emergencies. Academic eligibility will be checked weekly.

Transportation

Students are to ride the bus to and from the extracurricular activity. The only exceptions will be if the student is riding home with their parent/guardian, grandparents, or a sibling over the age of 21. The student must receive prior approval from the sponsor/coach or the administration. Non-compliance will result in disciplinary action from the sponsor/coach or administration. Special Circumstances will be dealt with on an individual basis by the administration.

Random Drug Testing

Any student participating in extracurricular activities is subject to the district's random drug testing policy (*see separate policy*)

Medical Requirements

Students participating in either girls or boys sports are required to have a doctor's physical examination and either school insurance or evidence of coverage under a family plan, etc. The exam and insurance or **evidence of insurance coverage, must be completed before the athlete may participate in practice or competition.**

EXTRA-CURRICULAR PARTICIPATION

Students will be allowed to participate in one sport per season. (I.e. Fall, winter, and spring) This will create more opportunities for different students to participate and limit the number of conflicts.

STUDENTS

EXTRACURRICULAR RANDOM DRUG TESTING

The Board of Education believes that the use of prohibited substances: alcohol, tobacco, or illegal drugs by students who participate in extracurricular activities presents a particular hazard to the health, safety, and welfare of students and those who compete with the student. The Board encourages students to participate in extracurricular activities, but believes the opportunity to try out for and participate in school sponsored activities is a privilege and not a right.

The purpose of this policy is to deter the use or prohibited substances, not to provide a means, which the district may use to punish a student other than by disqualification from participation in extracurricular activities. Accordingly, the results of any drug test administered under this policy shall be used only for determination of eligibility to try out for and participate in extracurricular activities and for no other disciplinary purpose.

The Superintendent, using input from coaches and sponsors of extracurricular activities, the Board of Education, students, and parents shall develop procedures for a random drug-testing program for extracurricular activities consistent with this Board policy. These procedures shall require students trying out for or participating in any extracurricular activity, offered by the school district, to be part of this random drug testing program.

The Superintendent shall provide the same information to informational media, the local unemployment office, and any major area employers contemplating layoffs. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.

The Superintendent shall keep on file for a period of 3 years a record of any appeals made and the hearing record. The notification must include projected pest control costs for the term of the pest control program and projected costs for implementing an integrated pest management program for that same time period. In addition, the Buildings and Grounds Supervisor or designee shall attend a training course, approved by the Department, on integrated pest management by 8-10-08 and every 5 years thereafter until an integrated pest management program is developed and implemented in the District's schools.

Training and Necessary Equipment

Each Building Principal and non certificated staff supervisor shall ensure that all staff members under his or her supervision receive training on the safe handling and use of hazardous materials. Emergency response and evacuation plans must be a part of the training.

Before an employee is given an assignment where contact with blood or bodily fluids or other hazardous material is likely, the employee must be provided the necessary training, including training in the universal precautions and other infection control measures to prevent the transmission of communicable diseases and/or to reduce potential health hazards. The appropriate supervisor shall maintain an attendance record of an employee's participation in the training.

Substitute Non-Hazardous Materials

District staff shall substitute non-hazardous material for hazardous substances whenever possible and minimize the quantity of hazardous substances stored in school facilities. The Plan shall comply with the Blood borne Pathogens Standards adopted by State and federal regulatory agencies and an updated copy given to the Superintendent annually. The Plan shall address the following issues:

1. Exposure determination. Positions that do not subject the employee to occupational exposure are exempt from the Plan and the Standards generally.
2. Implementation schedule specifying how and when risks are to be reduced. The Standards are very specific on risks reduction, e.g., Universal Precautions must be followed; engineering and work practice controls are specified (hand washing, restricted food areas); personal protection equipment must be provided; housekeeping requirements are specified (regulated waste disposal and laundry); vaccination requirements (all employees who have occupational exposure must be offered, at employer expense, the hepatitis B vaccine and vaccination series); communication of hazards to employees through labeling and training; and recordkeeping.
3. Process for ensuring that all medical evaluations and procedures, including the hepatitis B vaccine and vaccination series and post-exposure evaluation and follow-up, are available as required by law.
4. Procedures for evaluating an exposure incident.

Emergency Response Plan

The Building Principal shall ensure that proper procedures for the cleanup of potentially hazardous material spills are followed including the following:

1. A building custodian is responsible for the actual cleanup,
2. Personal protective equipment, chemical neutralization kits, and absorbent material are available in each building at all times, and
3. Spill residue is placed in containers designated for such purpose and disposed of in compliance with local, State, and federal law.

Evacuation

The Building Principal shall ensure that evacuation rules are posted in each room and that they are discussed with each class using the room during the first days of the school year. The rules indicate the primary and alternate exits and the evacuation area to which students should proceed upon leaving the building.

The Building Principal shall conduct evacuation drills according to School Board policy 4:170, *Safety*, and administrative procedure 4:170-AP1, *Comprehensive Safety and Crisis Program*.

Section 685.110(d) requires screening programs to inform parents/guardians PRIOR TO SCREENING and IN WRITING that vision screening will be conducted and that screening is not a substitute for a full vision exam. The following language must be included in the notice:

“Vision screening is not a substitute for a complete eye and vision examination by the eye doctor. Your child is not required to undergo the vision screening if an optometrist or ophthalmologist has completed and signed a report indicating that an eye examination has been administered within the previous 12 months.”

This notice is NOT a “consent” to screen and it must clearly inform parents that unless there is a vision examination report from a doctor in the child’s file, the screening (at mandated age and grade levels) will be done.

Notification can be done through a school web-site, school handbook, a newsletter, the school calendar, a separate notice, etc. IT is advisable to mention hearing screening in this notice as well.
